**Dear Students**

**Congratulations for accomplishing many laurels in this academic session.**

**Each one of us have faced failure at some point or the other in our lives .. and we also know how does a winner feel when he succeeds .. that is the challenge we all face .. we all strive for .. we all struggle for .. and then when we find that door is shut , we must break it , open and ENTER , to achieve what we have wanted to all our lives. That is the learning and the template of living ;and when it is portrayed in a most creative subtle manner , the respect and applaud is tremendous.**

**So dear all, gather the courage to strive for the best and be the winner of your life.**

**Keep learning!!!**
