Happy Diwali

LIGHTS

JOY

PROSPERITY

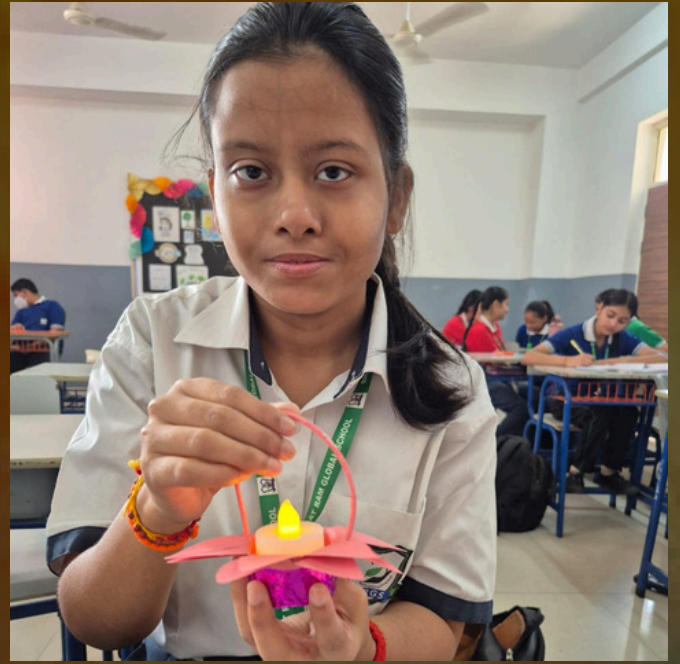

Bharat Ram Global School lit up with festive spirit as we celebrated Diwali on 17th October 2025 with joy, colour, and cultural pride!

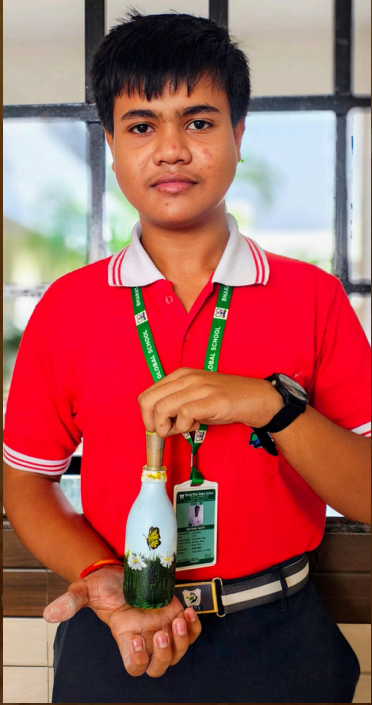

The campus came alive with vibrant rangolis, glowing diyas, and beautiful lanterns, creating a magical atmosphere. The celebration began with the ceremonial lamp lighting by our Honourable Chief Guest, Mr. Ajay Kumar (Additional Commissioner of Police, Gautam Budh Nagar), and our respected Chairman, Mr. M. L. Jaiswal. A captivating cultural programme followed, showcasing soulful music and graceful dances that depicted Lord Rama's return to Ayodhya—celebrating the triumph of good over evil.

Chairman Sir and our Principal Ma'am shared inspiring messages on the values of Diwali—harmony, compassion, and eco-conscious celebration. Our Chief Guest also encouraged everyone to celebrate responsibly for a cleaner, greener tomorrow.

The event concluded with a heartfelt vote of thanks and the distribution of festive gifts, bringing smiles across the BRGS family.

A truly memorable day filled with light, love, and togetherness!

SMILE FOUNDATION

Learning by Teaching – A Noble Initiative

In a heartwarming initiative, 15 students of Grade 8 from Bharat Ram Global School, along with two teachers, visited Rasta School through the Smile Foundation, connecting two schools with one shared purpose — spreading the joy of learning.

Carrying various STEM-based Science Kits like the Working Model of Heart, Metallophone, Kaleidoscope, Air Cannon, Pinhole Camera, and more, the BRGS students explained and demonstrated fascinating science concepts to the children of Rasta School.

The visit turned into a beautiful exchange — while teaching, our students discovered a new joy in learning by teaching. It was a proud and enriching experience that blended science with compassion and left behind smiles, inspiration, and meaningful memories.

SMILE,

IT'S

FREE

THERAPY.

A JOYOUS CHILDREN'S DAY OUTING TO GAME PALACIO, NOIDA

In honor of Children's Day — commemorating the birth anniversary of India's first Prime Minister, Pt. Jawaharlal Nehru — the Middle Wing students of our school enjoyed a vibrant and action-packed excursion to Game Palacio, Noida, on November 14, 2025. The outing was a delightful mix of entertainment, camaraderie, and experiential learning beyond the classroom walls.

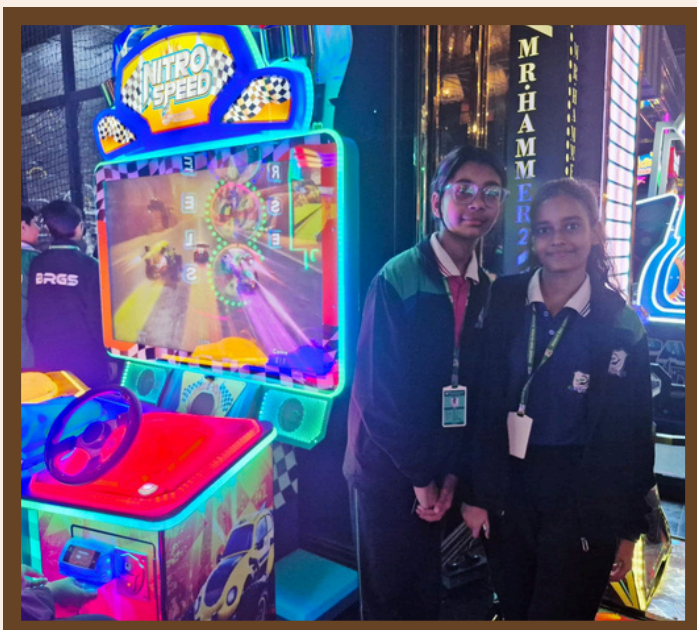

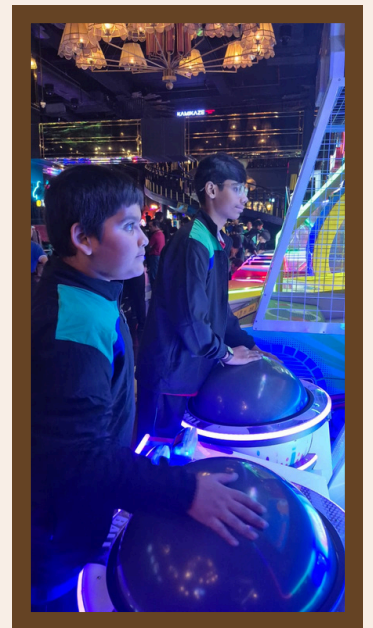

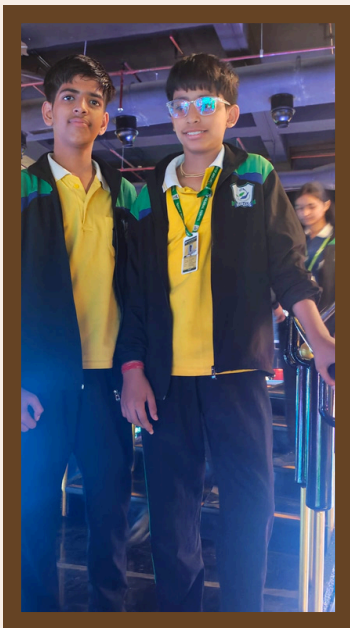

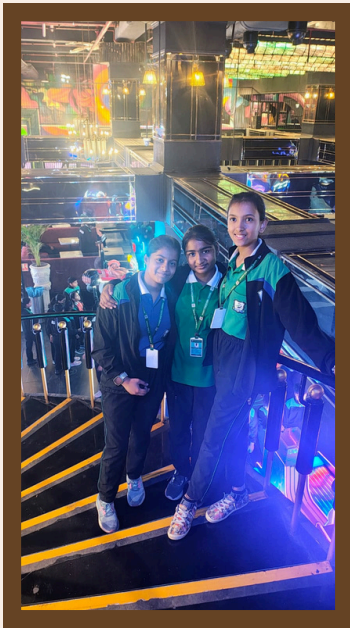

From Bowling and Cricket to Bike races challenges, Trampoline jumps, and the adrenaline-pumping Ninja Zone, the day was brimming with excitement. Students also immersed themselves in a variety of Video Games, Virtual Reality adventures, and Redemption Games, keeping the energy high and spirits soaring.

Scrumptious meals and refreshing beverages added flavor to the day, while our dedicated teachers ensured everything ran smoothly and safely.

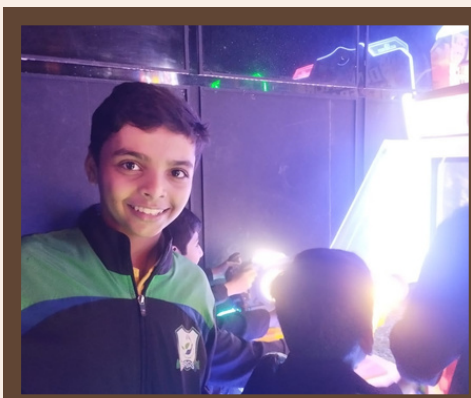

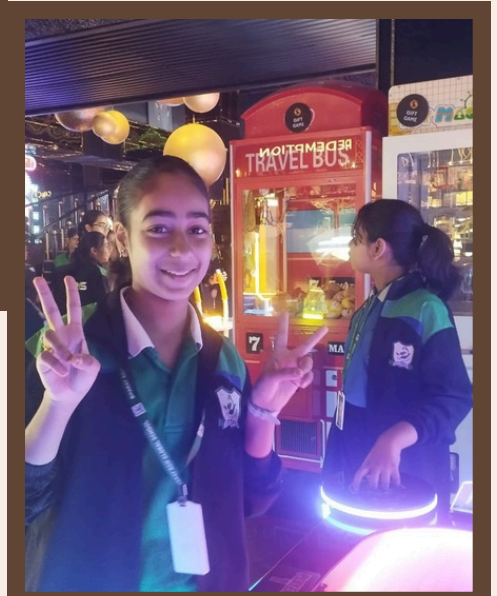

This memorable trip gave students a chance to unwind, strengthen friendships, and celebrate the essence of Children's Day — a tribute to joy, unity, and youthful exuberance.

WHEN IT’S SHARED WITH FRIENDS.”**

WORKSHOP SAVE GIRL CHILD

भरत राम ग्लोबल स्कूल में दिनांक 19/11/2025 को “सेव गर्ल चाइल्ड” विषय पर जागरूकता बढ़ाने के उद्देश्य से एक विशेष असेंबली आयोजित की गई। कार्यक्रम का शुभारंभ प्रेरणादायक कविता के माध्यम से हुआ, जिसमें बालिकाओं के महत्त्व, उनके सपनों और उनके सम्मान को सुंदर शब्दों में अभिव्यक्त किया गया।

इसके बाद विद्यार्थियों द्वारा प्रस्तुत एक प्रभावशाली स्पीच ने सभी का ध्यान आकर्षित किया। भाषण में समाज में बेटियों की स्थिति, उनके अधिकारों और उन्हें समान अवसर देने की आवश्यकता पर प्रकाश डाला गया। सभा में प्रस्तुत मार्मिक दृश्य ने कई दर्शकों को भावुक कर दिया। इस नाटक में कन्या भ्रूण हत्या, भेदभाव तथा महिलाओं की असमानता जैसे मुद्दों को संवेदनशीलता के साथ दर्शाया गया।

**THE GIRL CHILD IS A HUMAN, AND SO ARE YOU.
SAVE HUMANITY.**

असेंबली का अगला आकर्षण 'चिरैया' गीत पर प्रस्तुत समूह नृत्य रहा। इस नृत्य ने बेटियों की उड़ान, उनकी आशाओं और उनकी स्वतंत्रता का सुंदर संदेश दिया। कार्यक्रम के अंतर्गत विभिन्न गतिविधियों में उत्कृष्ट प्रदर्शन करने वाले विद्यार्थियों को सर्टिफिकेट प्रदान किए गए।

कार्यक्रम की सबसे खास प्रस्तुति भारतीय प्रसिद्ध महिलाओं पर आधारित फैशन शो रहा, जिसमें छात्र-छात्राओं ने भारत माता, रानी लक्ष्मीबाई, सावित्री बाई फूले, पी.वी. सिंधु, किरण बेदी जैसी अनेक महान महिलाओं की भूमिकाएं निभाते हुए उनके योगदान और प्रेरणादायक जीवन को प्रस्तुत किया।

अंत में विद्यालय की प्रधानाचार्या ने सभी को बेटियों के सम्मान और सुरक्षा का संदेश देते हुए कहा कि बेटियां केवल घर ही नहीं, देश का भी भविष्य संवारती हैं। इस प्रकार विशेष असेंबली प्रेरक, जागरूकता से भरपूर और सफल रही।

CHRISTMAS *Celebration*

CELEBRATING THE SPIRIT OF CHRISTMAS

The school assembly by the Middle Wing was joyfully conducted to celebrate Christmas, spreading the message of love, peace, and forgiveness. The programme began with a meaningful skit that beautifully conveyed the true spirit of Christmas. This was followed by a graceful dance performance by Anushka Jadon, which added colour and cheer to the celebration. The melodious Christmas carols filled the atmosphere with warmth and devotion.

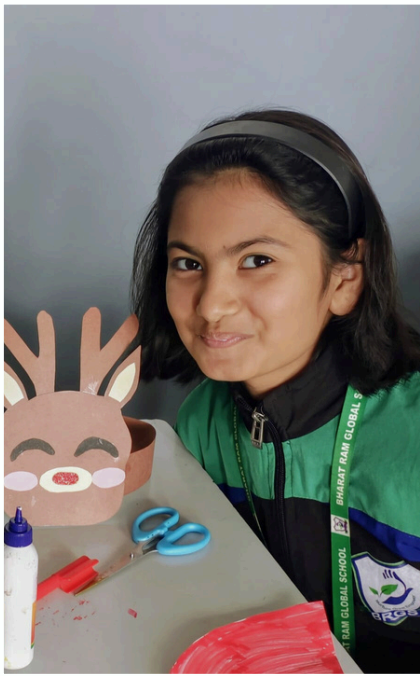

CHRISTMAS SPECIAL ASSEMBLY

A special assembly brings festive cheer, fostering unity, love, and compassion.

WHERE.”**

VISIT OF OLD AGE HOME

विद्यार्थियों द्वारा सेवा एवं दान कार्य :-

भरत राम ग्लोबल स्कूल के विद्यार्थियों द्वारा दिनांक (२४.१२.२०२५) को रामलाल वृद्धाश्रम एवं गौशाला में सेवा एवं दान कार्य का आयोजन किया गया।

इस कार्यक्रम का उद्देश्य विद्यार्थियों में दान, सेवा, करुणा तथा समाज के प्रति जिम्मेदारी की भावना विकसित करना था। विद्यार्थियों ने अनुशासन और उत्साह के साथ सहभागिता की। उन्होंने आवश्यक सामग्रियों का वितरण किया तथा वृद्धजनों के साथ समय व्यतीत कर उनके प्रति सम्मान और स्नेह व्यक्त किया।

इस अनुभव ने बच्चों को संवेदनशीलता और सामाजिक उत्तरदायित्व का व्यावहारिक पाठ सिखाया। ऐसी गतिविधियाँ विद्यार्थियों के सर्वांगीण विकास में सहायक होती हैं और उन्हें जागरूक एवं जिम्मेदार नागरिक बनने के लिए प्रेरित करती हैं।

विद्यालय भविष्य में भी इस प्रकार के सामाजिक एवं नैतिक मूल्यों से जुड़े कार्यक्रम आयोजित करता रहेगा। अभिभावकों के निरंतर सहयोग एवं योगदान के माध्यम से ही इस आयोजन को सफल बनाया जा सका।

"Caring for elderly person is not a burden; it is a privilege to repay their love and sacrifices."

SCIENCE EXHIBITION

SCIENCE IS NOT JUST A SUBJECT, IT IS A WAY OF THINKING.

The Science Exhibition conducted by the Middle Wing students of BRGS was a commendable initiative dedicated to the great scientist Jagadish Chandra Bose. The exhibition provided an excellent opportunity for students to present innovative and technology-based ideas, reflecting their scientific thinking and creativity.

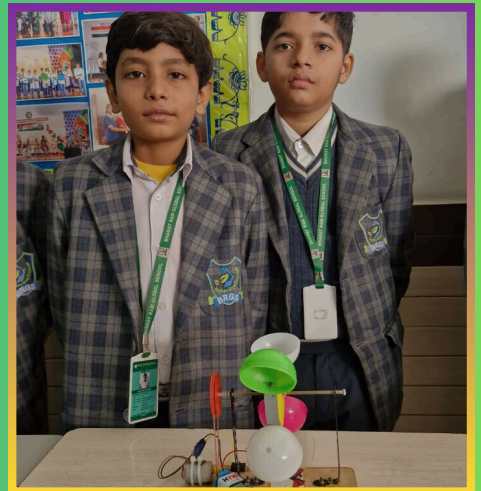

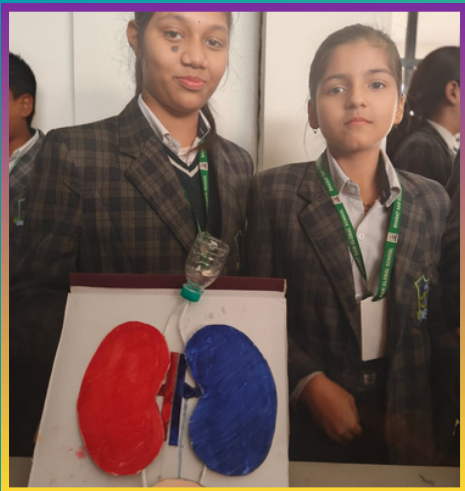

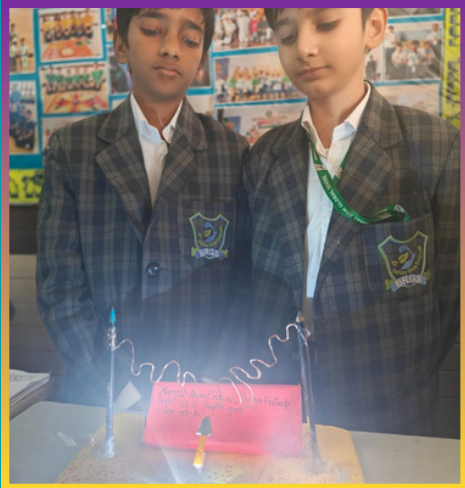

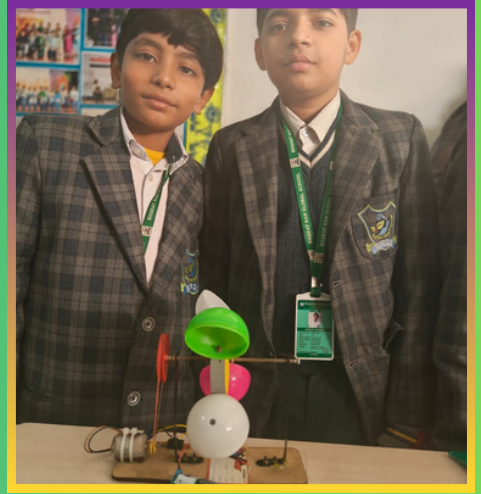

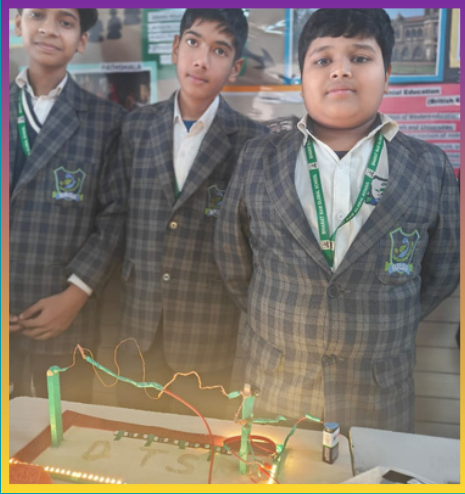

It served as a vibrant platform for the young scientific minds of the Middle Wing to showcase their talent and curiosity. Around 60 models and projects were displayed, each demonstrating originality, innovation, and a strong understanding of scientific concepts. The students presented their projects confidently under the guidance and support of their mentors.

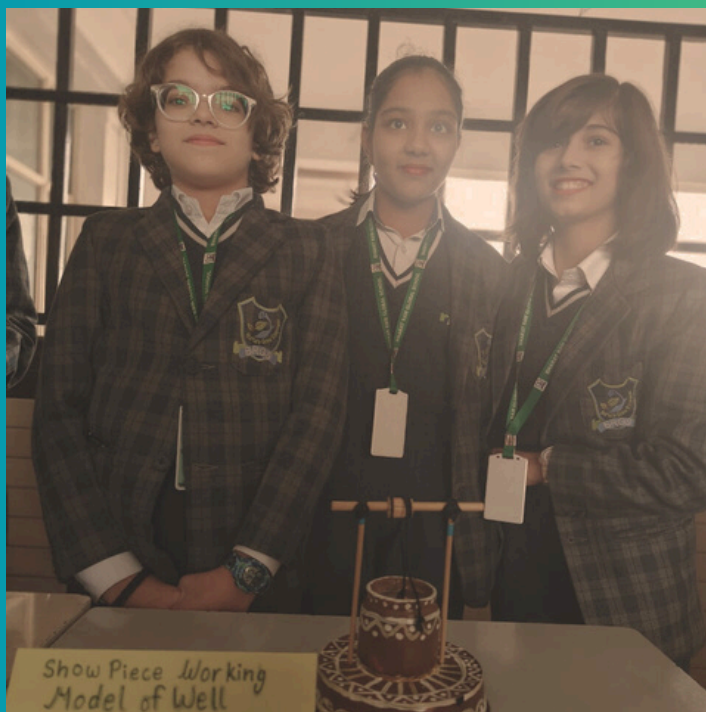

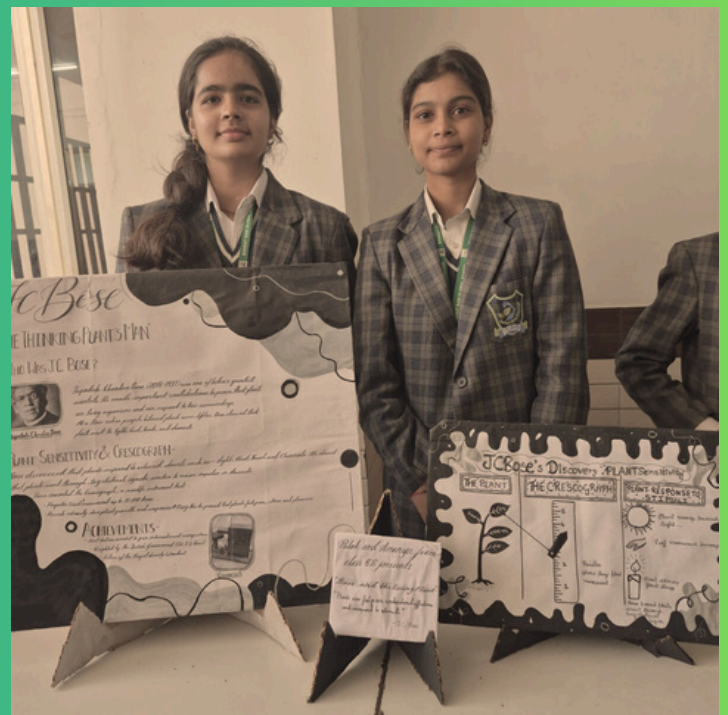

The exhibition was successfully conducted with the constant encouragement and support of the Coordinator Ma'am and the Science Teachers, and was further enriched by the insightful evaluation and guidance of the Principal and Vice Principal Ma'am.

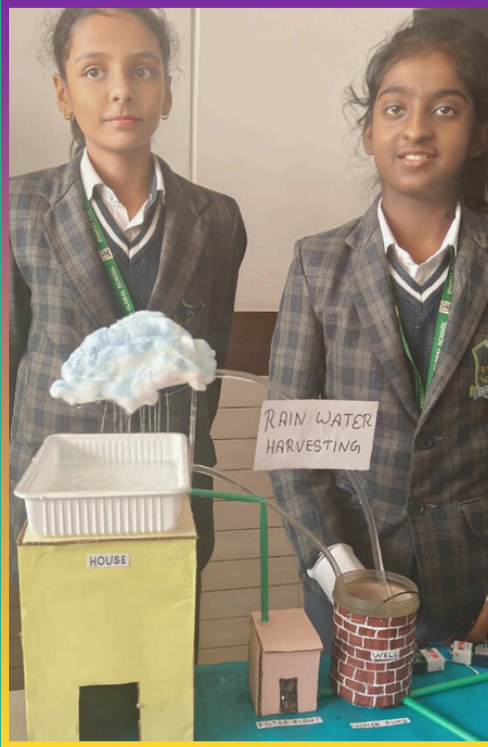

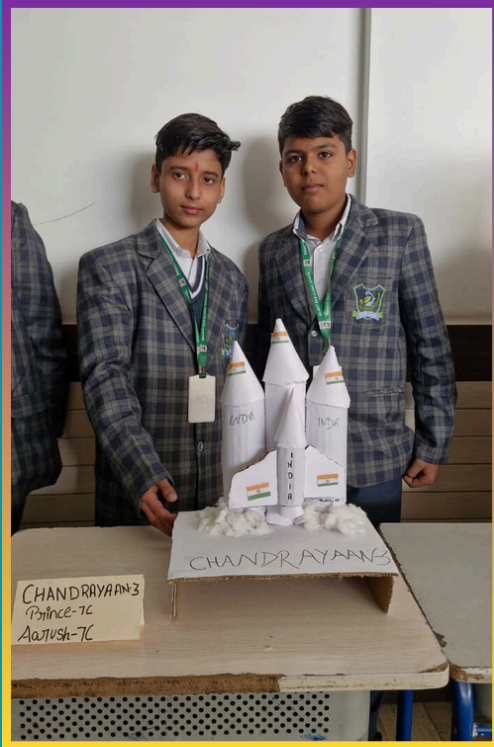

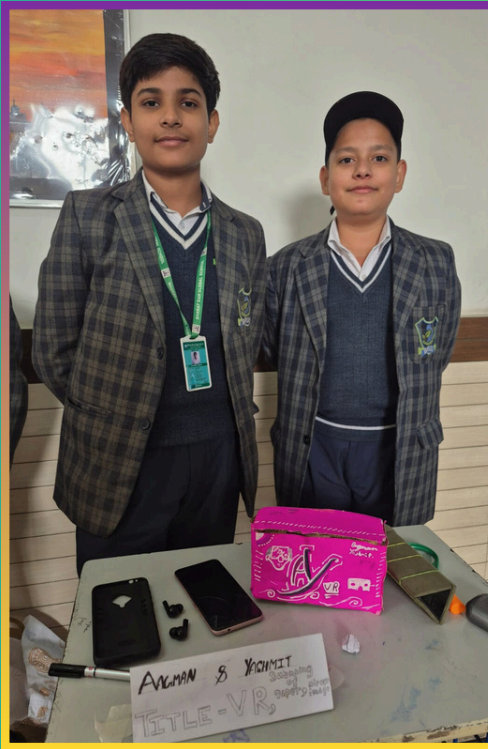

Overall, the event marked a meaningful step towards experiential learning and nurturing a scientific temper among students. A truly inspiring journey of learning!

“Science can flourish only in an atmosphere of free speech”.

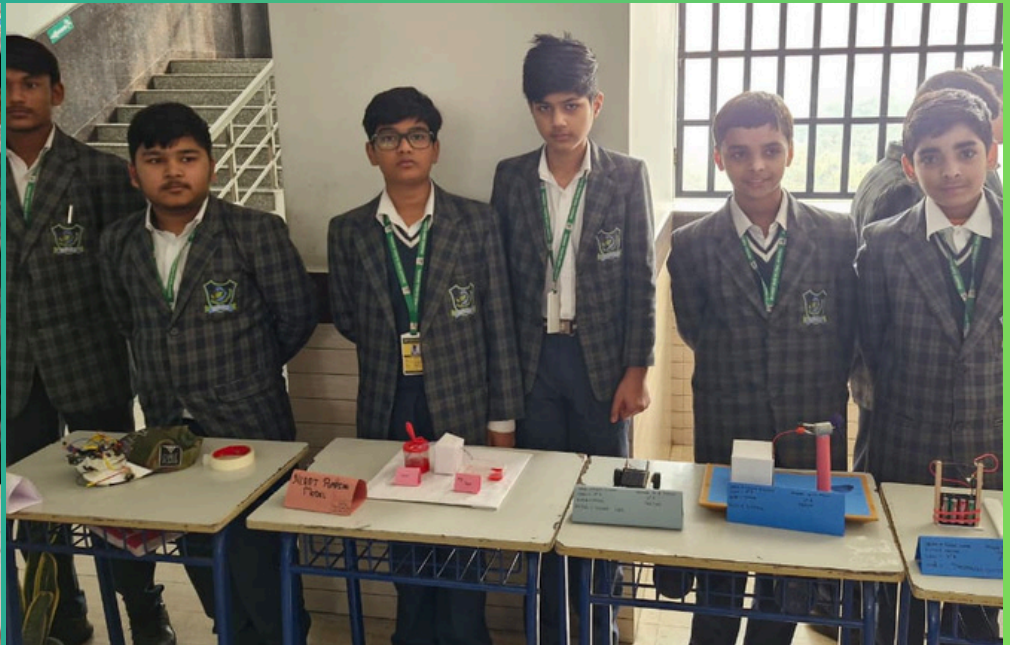

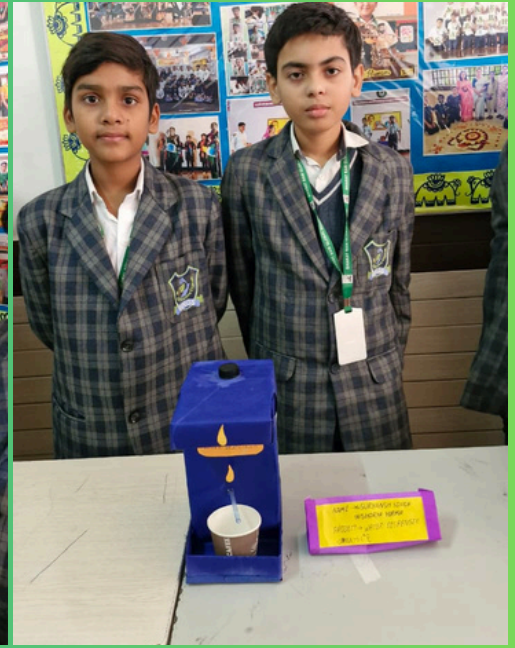

Vishu Chauhan and Shubh Mishra of VIII D made a working model of a DNA which demonstrates the double helix structure using twisted wire or pipe cleaners, representing the sugar-phosphate backbone. Coloured beads or paper represent nucleotide bases (A-T, G-C), showcasing base pairing. This hands-on project helps visualize DNA's structure, replication, and genetic coding, making complex concepts accessible and engaging 😊.

Anisha Goyal as and Amolika Yadav of class VII A made a working model of Rainwater harvesting is a vital practice that collects and stores rainwater for various uses, reducing reliance on groundwater and mitigating urban flooding. By capturing rooftop runoff, it conserves water, supports irrigation, and replenishes aquifers, promoting sustainability and resilience in communities 😊.

“Science is magic that works.”

A thermocol cutter and A Solar Car working model made by Mrinank Suya Yadav and Rishik Jha of class VII A, uses photovoltaic cells to convert sunlight into electricity, powering a small DC motor that drives the wheels. The model showcases sustainable transportation, demonstrating how solar energy can be harnessed to propel vehicles, reducing reliance on fossil fuels and promoting eco-friendly innovation 🚗.

A thermocol cutter uses a heated wire or blade to cut through thermocol (expanded polystyrene) with precision. Powered by electricity, the wire heats up, melting the thermocol and creating smooth cuts. This model demonstrates a simple yet effective technique for crafting and industrial applications, showcasing thermal cutting technology 🔪.

Celebrating Expression, Confidence, and the Joy of English!

The English Department of the Middle Wing organized a vibrant series of literary competitions for Classes 6–8, showcasing creativity, confidence, and language skills. Class 8 students engaged in a thought-provoking debate on “Are Gen Z more aware or more distracted?” Participants presented strong arguments with clarity and conviction.

Class 7 impressed the audience with powerful renditions of iconic monologues, including “To Be or Not To Be,” “Friends, Romans, Countrymen,” and “My Last Duchess.” Their expressive delivery highlighted voice modulation, emotion, and character interpretation.

Young performers of Class 6 brought laughter and charm through their humorous group poems, displaying delightful teamwork and engaging delivery.

Certificates were awarded to all winners, appreciating their talent, effort, and participation.

WITH HARD WORK AND EFFORT,
YOU CAN ACHIEVE ANYTHING.

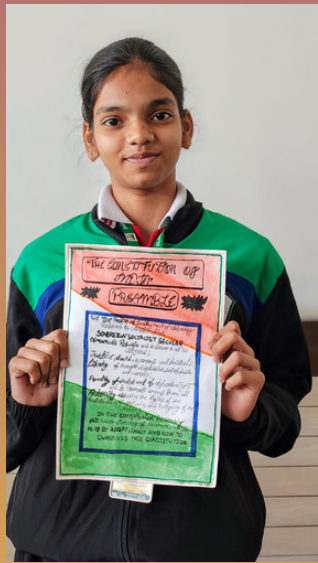

HERITAGE QUIZ – BHARAT KO JANO

“Where Traditions Speak and Values Shine”

The Social Science Department of the Middle Wing of the school celebrated Heritage Week with vibrant activities highlighting India's rich cultural legacy.

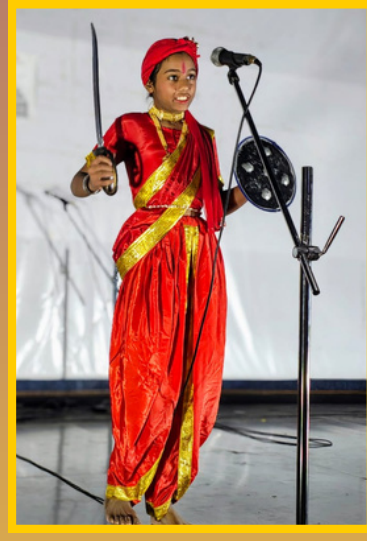

The week began with the Bharat Ko Jano Quiz followed by a poster making competition and class interactions. The last day of the week long activities saw vibrant stage and soulful choir performance of “Vande Mataram.”

Class 8 students presented an impactful skit on saving heritage along with an informative segment on the Hawa Mahal. A colourful Pride Walk showcased role plays of famous Indian personalities, with students carrying placards reading "My Heritage, My Pride."

A creative PPT presentation and an energetic dance performance—"Hamari Virasat"— further enriched the celebration. Students also took a solemn Heritage Oath, pledging to preserve India's cultural wealth.

The Principal and Vice Principal addressed the gathering, appreciating the students' efforts and encouraged students to continue exploring the richness of Indian heritage. The programme concluded with a Vote of Thanks and the National Anthem.

Heritage is a "living" bridge between generations

ENGLISH DEPARTMENT

**“The universe is
made of stories,
not atoms.”**

— Muriel Rukeyser

The study of English is an essential part of a student’s learning journey, strengthening skills that support all other subjects.

At Bharat Ram Global School, Greater Noida, the Middle Wing English Faculty is committed to providing engaging, relevant, and contemporary learning experiences that nurture confident readers, writers, and speakers.

Students explore both classic and contemporary literature along with films, graphic novels, and non-fiction texts. Through literature circles and interactive activities, they learn to express themselves creatively and understand how language is used to inform, persuade, and inspire. Emphasis is laid on:

- Creative and critical thinking
- Oral communication through speeches, presentations, and debates
- Understanding literary devices such as metaphor, simile, personification, and alliteration
- Student-centred and inquiry-based learning

Department Highlights-

Students are encouraged to participate in a variety of enriching activities, including:

- Dramas and speeches on the birth anniversary of William Shakespeare
- Writing competitions and daily vocabulary building
- Debate, public speaking, and dramatic monologues
- Poetry recitation (Inter-House, Inter-class & Inter-School)
- English Olympiads, dictation tests, and literary activities
- Script writing and participation in school programmes

Our aim is to develop articulate, imaginative, and confident learners who appreciate the power of language and use it effectively in academics and everyday life.

हिंदी विभाग

“भाषा केवल संवाद का माध्यम नहीं, बल्कि संस्कृति और विचारों का दर्पण है।”

हिंदी का अध्ययन विद्यार्थियों के संपूर्ण विकास की आधारशिला है, जो उनकी अभिव्यक्ति, चिंतन और रचनात्मकता को सशक्त बनाता है।

भरत राम ग्लोबल स्कूल, ग्रेटर नोएडा में मिडिल विंग हिंदी विभाग विद्यार्थियों को रोचक, प्रासंगिक और समकालीन शिक्षण अनुभव प्रदान करने के लिए प्रतिबद्ध है, जिससे वे आत्मविश्वासी पाठक, लेखक और वक्ता बन सकें।

विद्यार्थी आधुनिक हिंदी साहित्य में कविताएँ, कहानियाँ, नाटक, लेख तथा अन्य रचनात्मक विधाओं का अध्ययन करते हैं। विविध गतिविधियों और सहभागितापूर्ण शिक्षण के माध्यम से वे अपनी भावनाओं और विचारों को सृजनात्मक रूप से व्यक्त करना सीखते हैं तथा भाषा के माध्यम से जानकारी देना, प्रेरित करना और संवेदनाओं को अभिव्यक्त करना समझते हैं।

SOCIAL SCIENCE DEPARTMENT

Social Science helps us understand ourselves, our communities, and the world. It shapes informed citizens and critical thinkers by nurturing the “Excellence Through Experiential Learning”.

At Bharat Ram Global School, we believe in learning by doing to satisfy their curious minds.

Our activities are thoughtfully designed to develop:

- Well-rounded individuals
- Critical thinkers
- Creative problem-solvers
- Responsible global citizens

Through hands-on experiences, we foster growth, innovation, and leadership. 🌟

The highlight of the year was the Heritage Week.

Students learnt about their country's culture and heritage, unity in diversity and performed engaging role plays on National Heroes.

**"THE WORLD IS TOO
COMPLEX TO BE
UNDERSTOOD
WITHOUT
UNDERSTANDING ITS
PAST."**

- SOCIAL SCIENTIST

SCIENCE DEPARTMENT

“SCIENCE IS NOT JUST A SUBJECT; IT IS A WAY OF THINKING, QUESTIONING, AND DISCOVERING THE WORLD AROUND US.”

🕒 Science is the foundation of understanding the natural world. For middle wing students it builds - curiosity, logical thinking, and problem-solving skills. It teaches them to ask why, how, and what if.

🕒 Science is not limited to the classrooms only,..

At this stage, students begin to connect classroom learning with real-life experiences. Science helps them:

Develop critical and analytical thinking

Understand cause and effect.

Build confidence in experimentation

Prepare for future academic and career paths.

🕒 Our Belief:

We, the Science Faculty of Bharat Ram Global School, believe that every student is a creator, an innovator, and a discoverer.

Each child carries curiosity within, and it is our responsibility to nurture it.

We strive to help our students spread their wings and soar high with strong scientific knowledge and understanding.

🕒 Our Approach:

Encouraging active participation through daily life examples

Hands-on learning through experiments and demonstrations

Exploration of new ideas through discussions and activities

Providing STEM Kits to strengthen practical understanding

Promoting inquiry-based and experiential learning. Providing platform to showcase their talent in Science Exhibition

We create an environment where students do not just learn science – they experience it.

🕒 Our Aim:

Our aim is to:

Develop articulate, imaginative, and confident learners

Encourage scientific temperament and curiosity

Foster creativity and innovation

Build problem-solving and analytical skills

🕒 Conclusion:

The Science Department is committed to shaping young minds who are curious, confident, and capable of transforming knowledge into meaningful action.

Because in our classrooms, science is not memorized – it is explored, experienced, and enjoyed.

MATHS DEPARTMENT

The Mathematics Department of Bharat Ram Global school plays a vital role in nurturing analytical thinking, problem-solving skills, and logical reasoning among students. With a strong commitment to excellence, the department continuously strives to make mathematics meaningful, engaging, and enjoyable for learners.

One of the major highlights of the department is the active participation of students in prestigious Mathematics Olympiads. Through regular practice sessions and expert guidance, students are encouraged to challenge themselves and showcase their mathematical abilities. These competitions help in building confidence, accuracy, and a competitive spirit.

To strengthen conceptual understanding, the department conducts frequent mathematics quizzes. These quizzes create a healthy learning environment, motivate students to revise regularly, and promote quick thinking. They also make learning mathematics fun and interactive.

The Mathematics Club is another proud initiative of the department. It serves as a creative platform where students explore mathematics beyond textbooks. Through club activities, students learn Vedic Mathematics, which helps them perform calculations faster and more efficiently. Mathematics in Everyday Life is another aspect of club sessions.

The club also promotes interest in recreational mathematics through games and puzzles such as Sudoku, number games, logic puzzles, and brain teasers. These activities sharpen reasoning skills and encourage students to think innovatively while mathematics projects assigned for summer holidays enhance students' curiosity and creativity. Such events help learners realize that mathematics is not just about numbers and formulas, but a powerful tool that shapes the modern world.

The dedicated and enthusiastic teachers of the Mathematics Department continuously guide and inspire students to overcome their fear of the subject and develop a positive attitude towards learning. Their efforts ensure that every child progresses at his or her own pace with confidence. In conclusion, the Mathematics Department remains committed to fostering a culture of excellence, curiosity, and innovation.

Work and you'll get what you need;
work harder and you'll get what you want.

**ACHIEVEMENT IN SOF
NATIONAL SCIENCE OLYMPIAD (NSO)-
2025-26**

Bharat Ram Global School proudly celebrates the excellent performance of Aditya Dwivedi (Std. VIII A) and Karthikey Sharma of Std. VII D in the SOF National Science Olympiad 2025–26 (Level 1), securing an impressive percentile of 93.93 and 84.49 respectively . Both the students achieved 1st rank in the school and were awarded the Gold Medal of Excellence, along with a Participation Certificate and Student Progress Report. With commendable ranks at the international, regional, and zonal levels, Aditya and Karthikey have also qualified for the Level 2 NSO examination. The school congratulates them on this notable achievement and wishes them continued success in their academic journey.
